

# Giant Waterbase Signs

## Description

Spring loaded to counteract the highest winds, the Giant Waterbase Sign is the ultimate pavement sign. The base is filled with water to provide a stable footing for the sign and wheels are incorporated into the base for easy transportation.

## Specification/Features

- Extruded aluminium frame
- Capable of withstanding high winds
- Easy snap open and close poster frame
- Heavy waterfill base
- Including wheels on base for easy transportation
- Heavy duty brackets at the base of the frame
