

Grippit Lockable Frame

Description

Our Grippit Frames are perfect for public outdoor applications. The powder coated, pin free slats house a rubber strip that bends to take any form of media and are fitted into our durable Secure Lock Frame.

This frame features a heavy duty profile and high security lock and hinge system. These frames are available in a range of high quality powder coated finishes.

Specification/Features

- Durable 55mm wide aluminium frame
- High security lock
- Waterproof seal
- 2mm strong plastic glazing
- Suitable for external use
- Easy media change
- Wall fixing kit
