

Grippit Wall Frame/Tile Signs

Description

These Grippit Frames come with the Tile Signs as standard. These Tile Signs enable quick advertisement change to display whatever offer or event is of interest. The powder coated, pin free slats allow tiles to self align and house a rubber strip that bends to secure the tile. These frames are available in a range of high quality powder coated finishes.

Specification/Features

- Durable aluminium frame
- Quick graphic change
- Easy to maintain
- Suitable for indoor use
- Wall fixing kit
